FROM THE PREZ

I was unable to attend either of the early June activities, however, ever intrepid Vern was able to visit both: The Annual Cobra Day at the Cobra Experience in Martinez on Saturday, June 4th and the nearby 2nd Annual Shadelands Ranch Classic Car Show in Walnut Creek on Sunday, June 5th.

Vern is sure to have information and pictures on both the “Cobra Day” and “Shadelands” events in this newsletter.

If you have additional suggestions for activities to add to Vern’s list, please pass on your suggestions to Vern or me via e-mail or phone. Vern or I will firm-up the date and time for each event in subsequent monthly newsletters.

Vern has also firmed up dates for the Annual Club Car Show on Sunday, September 18th 10am to 3pm at the Blackhawk Museum and the Annual Club Brunch on Sunday, November 6th, 10am at the Incontro Restaurant in Danville. I’m really looking forward to these get-togethers.

Also, a Father's Day show was discovered at Blackhawk, which is free to spectators.

JUNE HAPPENINGS AT NCKCC

By Vern Hance

It was a month that started with two cars shows in the first week.

The Cobra Experience Annual show was held on June 5th at their location, 777 Arnold Dr, Martinez. The show was about the same size as last year and, of course, featured Cobras. Every color & stripe combo up to the polished aluminum one owned by Randy Fry, below, to the Shelby Series 1, above,

which is the only car ever designed and engineered by Carroll Shelby from a clean sheet of paper, and built from the ground up. All other Shelbys are re-engineered models produced by other manufacturers. Lots of other Ford powered cars were also present like:

Steve Rhodes, who brought his Ford Powered Gull-Wing Bricklin to the Cobra show. (below)

We also found some other NCKCC friends including Dennis Ellis & Friend and Sherman Mah & Cobra

T-Bucket Street Rod

Ferrari California

1963 Thunderbird

The "**Shadelands Ranch Classic Car Show**" was on Sunday June 5th at the Walnut Creek Historical Museum on Ygnacio Valley Road.

A great variety of cars were present, many T-Birds from the 50s & 60s, lots of 50s Chevys, a '40 GMC pickup, a '40 Lincoln Continental, a late model Ferrari, a '60 Porsche 356, MG-TD, MG-TF, '28 Pontiac coupe, '59 Corvette, a new Mustang Electric and many others that I estimate totaled about 90 cars.

Here are some of the photos I caught at the end of the show at 3 p.m. I have tried to document the Year and Model for most.

1929 Ford Model A

1956 Thunderbird

51 MG-TD Mark II

Mercedes AMG G Class

1960 Porsche 356

1956 Ford Pickup

1954 Chevrolet Wagon

1940 GMC Pickup
